

REMARKS

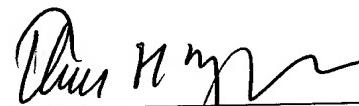

The Notice of Allowability mailed April 20, 2004 incorrectly shows the title, "STENT DELIVERY CATHETER AND METHOD OF USE," which appears on the Filing Receipt issued in the instant application. Filed concurrently herewith is a Request for Corrected Filing Receipt.

The requested change to the title is substantiated by the enclosed documents showing the application title as originally filed with the title "STENT DELIVERY CATHETER ASSEMBLY AND METHOD OF USE." Applicants enclose herewith copies of the application title page (as filed June 19, 2001) and return postcard (acknowledging receipt of the application by the PTO). Accordingly, it is respectfully requested that the Examiner amend the title prior to issue with the correct title information.

Although applicants believe that no fee is due with this communication, the Commissioner is hereby authorized to charge any payment of any filing fees associated with this transmittal to Deposit Account No. 06-2425. A duplicate of this paper is enclosed.

Respectfully submitted,
